Hello Dr. Umaly,
How are you? Thank you very much for taking very good
care for my
advisors and me while we were in Thailand. I finished
collecting my data
2 days ago so far I have made a lot of progress for my study.
I would
like to ask about Prof. Dr. Wichit's e-mail address. I would
like to
inform him something.

I think now the weather there is good. I like
November -January
in Korat. Here it is getting cold but no snow yet. My daughter
is
expecting snow every day. Hope to see you soon in Thailand.
Best regards,

RE: CAGAYAN DE ORO CONFERENCE

Dear Minda,

I did not hear anymore regarding the above Conference, ie. arrangements for the lecturers. I was informed by UNESCO Bangkok that even lecturers will have to take care of their own expenses. I regret that because of the financial constraints in Thailand, it is not possible for our University to finance my trip. In addition, I have been invited by a University in Korea at their expense to discuss the coming activity of AUAP at their university. Thus, it is with great regret that I shall not be able to participate in the above mentioned seminar.

I wish the Conference great success.

With best regards.

Yours sincerely,

(Prof. Dr. Ruben C. Umaly)
