Dear Viggo,

It is very nice to hear from you out of the blue.
December 1, 2000 is actually the BIG day for me.
I shall forward another testimony of that day to you.

My twin daughters are now in Guatemala and Mexico as AFS exchange students.
I am now a full time Mind Mapping instructor and part a time writer.

Wishing Nina, Kim and you a very "Godt Nytt A(o)r."

All the best / Tanya
