Regarding Land management Workshop: AIT, Bangkok

Handwritten signature and date:
26/03/01

Dear All

I apologize for the delays in providing you with the land management software database. We are having technical problems with our server which is taking longer to solve than expected. However, attached is a copy of the database in HTML format. I will send out an additional e-mail when the web page is up and running.
Sorry for the delays.

Sincerely,

Ben Sivak
