Dear Dr. Amparado,

As I have a problem sending e-mail to Dr. Perez who is your colleague, I suppose, I will highly appreciate your assistance in passing the same message I just sent you to her.

As for Dr. Pagulayan, who will not present a paper, we will also appreciate receiving her confirmation before 12 July.

Once again, thank you very much for your assistance.

Yours sincerely,
Mantana Thammachoti

Dear Dr. Amparado,

We have scheduled your presentation "Wastewater in Navatos-Malabon River : Its Impact on Milkfish (Chanos chanos)" tentatively for the afternoon of July 23rd.

However, we have not received the abstract of your paper yet, neither in form of a fax nor by e-mail. Please confirm that you will attend the seminar and present a paper.

Please send us your abstract as soon as possible, as the conference program will be sent to the printer on July 17, so we should receive it the latest on July 15.

Yours sincerely,

Mantana Thammachoti

Re: SUT 6th ANNIVERSARY SEMINAR/INTERNATIONAL WORKSHOP

Dear Dr. Edna A. Amparado,

Thank you very much for your attention and your registration form sent us recently. Your title of paper "Wastewater in the Navotas-Malabon-Tullahan Tenejeros River, Malabon, Metro Manila, Phil; Its Impact on the Milkfish Chanos chanos" has been accepted. Please send the abstract at the latest the end of June and bring the complete paper to the seminar with you.

Yours sincerely,

Mantana Thammachoti
