RE : APPLICATION FOR ADMISSION TO SUT

Thank you very much for your interest in seeking admission to the International Undergraduate Program of Suranaree University of Technology. At present we offer four programs - Mechanical Engineering, Chemical Engineering, Electrical Engineering and Food Technology.

Enclosed please find a photocopy of the program information sheet together with an application form, instructions on how to apply and the course description. Kindly follow these instructions and send us all the documents required. I would advise you to send your application and the necessary documents as soon as possible.

Please do not hesitate to contact the Center for International Affairs if you have further inquiries.

Sincerely yours,

for (Prof. Dr. Ruben C. Umaly)
Director, Center for International Affairs
