Subject: Your home address, please...

Dear Dr. Umaly,

Greetings!!! Hope you are doing fine.

We would like to know your home address to be given to the driver who will fetch you on Thursday, 20 November.

We have also made reservation for you at the AIT Center, New Wing. Are you checking out on the 21st of Nov or on the 2nd?

This all for now. Hope to hear from you soon.

Thank you very much.

Godbless,
Rey
