Dear Prof. Srisa-an

I would like to inform you that we are preparing the necessary documents for official registration of the International Program "PLATO" in the Republic of Greece in accordance with the laws in this country.

We view this Program as a corporation of individuals - representatives of the world known universities having the respective authority. The Corporation will have the rights to sign bilateral and multilateral agreements with different universities, to approve their educational programs and research projects, and facilitate their execution, to award the great "PLATO", to confer professors', PhD and DSc degrees, to establish his own agency for recognition of education and diplomas issued from different universities, to organize the exchange of professors and students, text-books, multi-media products etc.

Considering your high position and authority as a scientist, teacher and active participant of the world university movement we will be pleased to see you among the Founders of the International Program "PLATO" in Greece.

We are kindly asking you in case of acceptance to fill and send the enclosed Application membership form as soon as possible to our office in Blagoevgrad.

Yours Sincerely,

N. Bojkov, President of the Association
