Dear Meg,

Thank you very much for the message. Let me congratulate you and Ruben U.
for the excellent report of the Asia Workshop, April 3-4, 2001, which, in
my opinion, reflects the major deliberations made at the meeting.

In order for the Asia workshops to produce outcomes unique and relevant to
Asia's situation (although Asia is so diversified), I suggest, at least
for the Bogor workshop of April 2002, we try to focus the discussion and
prioritise the working group findings and workshop results towards this
aim.

Best wishes.

Chongrak Polprasert
