RE: GRIP

Dear Mr. Konishi.

This is to acknowledge with great appreciation and gratitude receipt of GRIP brochure. I shall study the programmes and activities and see how SUT and AUAP can be involved in them.

Both the University and AUAP are interested in university-industry linkages. We will be sponsoring next year in cooperation with Yunnan University an Asia-Pacific Conference on University-Industry partnerships. We have also on a local level signed a number of agreements between SUT and some industries in Nakhon Ratchasima including the organization of short-term courses for top local industrial managers Improvement in management is a must specially so with the financial crisis that the country is facing.

Once again, thank you for your assistance and we look forward to possible collaboration. We reiterate our invitation for you to be our guest at the University next time you visit Thailand.

With best regards.

Yours sincerely,
