Dear Dr. Umaly:

Many thanks for your letter of November 26. I have been communicating by e-mail with some of the administrative staff of Arkansas State University, and they are excited about the prospect of a linkage with Suranaree University of Technology and pleased that Dr. Wichit will be able to visit Arkansas this spring.

Within a few weeks, I should be able to provide you with additional copies of bulletins and other information from Arkansas State.

Regarding the scheduling of Dr. Wichit's visit, my contacts at Arkansas State asked me to advise you that the most useful time would be late April or early May. Arkansas State has its commencement on May 9, and, afterward, there will be no students and very few faculty on campus until the beginning of summer school in June. Also, many of the administrative staff who would want to meet Dr. Wichit will be on vacation.

Thank you for your very kind interest.

Sincerely,

John M. Reid
