Dear Ruben:

I have delayed responding to your letters of December 29 and January 15 until I could chat with Stalin, Rob, David Swayne and John deMan.

With regard to the July Seminar, I suggest that you deal directly with Rob Eagle. David Swayne will await further word from Rob on his possible participation.

Regarding the transfer of Food Science students to Guelph, I do not recall any discussion of this at the PRC meeting. John deMan and Doug Goff agree, however, that the students could come here for second year. The main issues to be clarified will be course requirements and levels, TOEFL and the matter of tuition fees and related costs, as there is no provision for this proposal in the budget. I suggest that you or the Department of Food Science at SUT deal with Dr. Douglas Goff directly on this matter.

I look forward to seeing you in a couple of months.

Sincerely,

J.C.M. Shute
