Greetings Concerned Fellow Human Inhabitant of Planet Earth & Friend,
  You have had a few forwards from me recently and I thought it would be an appropriate time to give
you an opportunity to have your name kept or removed from my Forward List. So please let me know if
you want your name removed. If I don't hear from you I will assume you want it kept on my list,
right???
  All my best regards for you and our fellow Earthlings and our home.
  Samuel Kaymen
