Sawasdee Prof. Ruben;

Thank you for your kind invitation and provision during the April 3-4, 2001 workshop at Mae Jo U.

I, indeed, learned a great deal from the w/s, especially the last 1.5 hours on April 4. I wished we could have the similar setting here somewhere in Thailand so that Faculties from around the world can work together and practices our research to further develop a different group of leaders for the future.

Please let me know if I can help in EARTH projects and activities.

Sawasdee Krub  
Attachai

Dear Dr. Attachai,

Thank you very much for your email of today. I am very pleased to know that you will be able to make the presentation on the 3rd. There is a change in venue as the entire meeting will now be held at Maejo University, i.e there will be no more sessions at SUT. . We will be sending you the final schedule soon. Have you informed Meg Harris about it? It would be much appreciated if you could let her know. I will also send her a short message about it.

Looking forward to your participation and our meeting .

With best regards.

Sincerely,  
Prof.Dr.Ruben C.Umaly

Dear Dr.Chen,

Greetings from SUT!!!

I was informed by Meg Harris of Salzburg Seminar that she has sent letters of invitation to participate in the organizational meeting of EARTH ASIA from 2 to 4 April at Maejo University, Chang Mai, Thailand.

Meg has however not received any confirmation of your participation and has requested me to follow up the invitation. There are only two weeks left and so we will be trying to invite alternates if you will not be available. We however, would like to have you as our participant if possible. Thus, kindly send us your decision ASAP.

Thank you and with best regards.

Sincerely,  
Prof.Dr.Ruben C.Umaly  
Director, CIA

After Director, CIA  
We try to send him email  
since 13/3 and fax. But it  
does not work. We also tried  
yesterday but the result was the  
same. We do it today we succeed.
