Dear Dr. Tho,

Re : Studies Abroad

I am very pleased to inform your office that after consideration of the academic documents and curriculum vitae of Mr. Nguyen Khac Hoan, a placement in Agricultural Economics at Maejo University or Kasetsart University could be offered to him this coming school year 2001-2002. A formal application can therefore be made either to our office directly to the university concerned.

In this connection, we would be eager to hear from you regarding the progress of the negotiation for the study grants from Germany. Please do not hesitate to contact us for any further information or assistance which you and the student may require.

With best regards.

Sincerely,

(Prof. Dr. Ruben C. Umaly)
Director, Center for International Affairs
