RE: Visit to University of Hong Kong

Thank you very much for your kind letter. I do apologize for the slight delay in the reply as I had to confer with Prof. Dr. Wichit, President of AUAP and Rector of SUT. At present we are waiting for the confirmation from Prof. Dr. Mario Nascimento Ferreira, President of the University of Macau. He will be hosting the 3rd Board Meeting of AUAP at his University. The tentative date is 14-15 April with the participants arriving on the 13th. Thus, we are waiting for his confirmation. Dr. Wichit may want to visit the University of Hong Kong either on the 13th when he arrives from Tokyo or on the 16th before he returns to Bangkok.

I will let you know as soon as we get any confirmation of schedule from Dr. Ferreira.

Once again, thank you very much for your concern and assistance. Looking forward to a possible visit to your University.

Yours sincerely,

(Prof. Dr. Ruben C. Umaly)
Director, Center for International Affairs

Dear Dr Umaly

Re: Your visit to the University of Hong Kong

I've sent you an e-mail on February 25, but I am not sure if it has reached you, so I fax you again.

As mentioned in your letter of September 22, 1996, I understand that you would like to visit the University of Hong Kong in April 1997. Please kindly let me know if this is still in your schedule. If yes, I will arrange a programme for you to visit some of our biology departments.

Yours sincerely
