NGUYEN CHI THANH
HANOI

Dear Chi Thanh,

Thank you very much for your greetings. I wish you too a very HAPPY NEW YEAR and ALL THE BEST FOR 2001.

It was in deed a pleasure meeting you in Hanoi, but unfortunately, time was too short we did not have much time to talk and exchange information. I hope the next time I visit Hanoi I will have the opportunity to invite you for lunch or dinner and we would be able to talk more.

I'm glad that you may be able to join your brother and me to Manila for the teacher training program in May. I have already written to them recommending the addition of another group for high school teachers. I will let you know their decision. In the meantime, I will appreciate receiving your short CV or resume and a program or syllabus for the training for five days. I will have to send them to Manila.

If there is anything I can do let me know. I look forward to our next meeting. Kindly extend my regards to your brother and please remind him also of the syllabus for his course.

With best regards.

Ruben
