Dear Dr. Umaly,  
There are missing pages in the fax. I did not receive a complete CV from you or any of the members that you sent , except for Dr. Nygen Van Dao.  
Can you please have your assistant re-fax the information as I have missing pages. Thank you.

Regards,  
Herma Percy

We are sending by fax as requested the available CV of the proposed team members. We have faxed and emailed them for the more recent copies of their CVs but we have not received any reply as of now. Thus, the ones we are sending are those on file with AUAP. Unfortunately, for Dr. Zhou Wei Hua, we do not have any copy as he is not an officer of AUAP. I will send them a reminder and to request them to send the CV to your office directly.

Once again, thank you for all your support.

Yours sincerely,  
Prof. Dr. Ruben C. Umaly  
Director, Center for International Affairs

Dear Colleague,

*China: Higher Education Organizational Reform Seminar*

We have received your CV regarding the International Seminar on Higher Education Organizational Reform for China. Thank you for submitting the information promptly and indicating your interest in participating in this policy activity.

We have heard recently from the Ministry of Education in China, which had in the first instance sought World Bank assistance for planning this seminar. They have requested a hold on the seminar until they reach decisions regarding their own internal reorganization, which includes massive downsizing of staff.

As far as we can see, the signs indicate that the Seminar will not be held until the latter half of the calendar year of 1999. We are keeping all the information you have provided on active file. We will continue to inform you on the details as things materialize. If there are any questions, please contact Hena Mukherjee at 202-458-9010 or fax 202-522-1656.

Sincerely,

Herma Percy
