Dear Dr. Ruben:

Thank you so much for your kind hospitality during my recent visit to Suranaree University. You and your staff helped make my stay comfortable and enjoyable.

I hope that the briefing I provided was worthwhile for the participants. Please let me know if there is anything I can do in the future to help prepare students or faculty either coming from or going to Canada.

I have enclosed Cecilia Gaudet's business card. She would be happy renew her acquaintance with you.

Once again, thank you for your assistance. I look forward to working with you again in the future.

Yours sincerely,

Christine Munro
