DR.JACQUES MOREAU
INP TOULOUSE

Dear Jacques,

It was nice to hear from you again. Yes, now I got the whole material and I will be willing to collaborate in the joint M.Sc. and Ph.D. Program between France and Thailand.

I have written the required letter for the Ministry of University Affairs and will send it before the 30th which is the deadline.

There seems to be some miscommunications going on at the Thai side. Apparently, there was a meeting called for this project, but it went directly to the Institute of Agriculture. Anyway, I informed the Institute of your proposal and they do not have any objection. Thus, we hope to submit the request to MUA on or before the 30th.

Once again, thank you for your kind consideration and I hope this will be approved so that we can collaborate again.
