Subject: Irene's new email address

Dear Pin and Eckart;

How are you ?

I am having trouble with my Ryerson email account so I will begin sending and receiving email from this address; dcsc@netcom.ca

I haven't communicated since mid-April.

I hope that you all had a great summer. You two must be very busy with the beginning of the new school year.

Please drop me an email at this address to let me know what progress has been made collecting from BMTA.

Also I'd like to remind you that I still need a copy of Frank's hospital bills.

Thank you again for taking care of my concerns.

I send my best wishes to the two of you, Irene.
