THE MAIN IBI FOUNDERS ARE :

- Main Board of the Central Bank of the Russian Federation for St. Petersburg
- St. Petersburg City Government
- Leading St. Petersburg banks and Stock Exchange
- European Bank Training Network (EBTN)
- Stockholm University

The Institute concentrates its main efforts on training and professional development of employees working in banks, stock-exchanges, auditing companies, financial and investment companies, tax inspection and treasuries, as well as crisis managers and the leaders and accountants from commercial companies - banks' clients. IBI offers a wide range of programs for different levels of employees - with operational staff up to the top-level management.

Ongoing interaction with above-mentioned institutions allows the Institute to respond flexibly to the new requirements in training, adjust the existing training programs and also develop new programs. Flexibly responding to the changes in the specialists' market demand, the Institute was among the first city institutes who included such courses as accounting, auditing, financial, banking and strategic management, bank accounting and others into its training program.

Courses of Russian as a foreign language

Teaching is organized in different schemes:

1. Intensive course of Russian for beginners

This course is for those who have just started learning Russian. The unique methods of our center allow to establish base knowledge of the Russian language after which you can continue studying Russian by yourself or with a teacher.

After the first class our students start speaking Russian.

We can accommodate our students in hostels or in the host families of International Banking Institute students and teachers. It gives our students an opportunity to continue practicing Russian after classes consolidating their knowledge.

We can book a room for you in any St. Petersburg hotel.

2. For those who want to improve their Russian skills

We offer individual approach. Our teachers will account for your level and capacity for learning foreign languages. Thus you'll solve all your language problems and master your language skills.

From the experience and qualification of our teachers will benefit both those who haven't studied Russian before and those who have already had some Russian language training.

The course will be built according to your requests and abilities.

We'll also provide language training for specialists (science, art etc.) giving the in-depth knowledge of Russian.

3. Business Russian

Our teachers will provide you with necessary language skills for doing business in Russia within a short time.

This special course will enable you to keep correspondence and do paper work, to participate in negotiations and business meetings.

4. Preparatory courses

For those who want to enter Russian universities. Traditional courses of Russian aimed at preparation for studying in any university in Russia. The duration of the course is approximately one year. The program extends for 800 hours, after the successful graduation students receive the certificate which allows them to enter any Russian university without examinations. The number of the students in a group is 8 - 10 people.

Cultural program includes different excursions around St. Petersburg, visiting theatres, museums, concert halls etc. Drawing up the plan of your stay in St. Petersburg we'll consider your requests and wishes.

Our linguistic center is in the historical part of St. Petersburg on Nevsky Prospect (near the metro station Gostinni Dvor). So after classes you can walk up to the Hermitage, Russian Museum and other places of interest.

Prices:

- 1 (one) hour - 10 USD. the number of hours depends on the course you choose.
- 1 (one) night in the host family - 20-30 USD (breakfast is included). If you want to stay in the hotel the price may vary.
- The entertaining program is chosen by the students (paid separately). We can offer you a list of the most popular places.
