Dear Dr. Undan,

Salzburg Seminar (based in Austria and USA) and EARTH (Escuela Agricultura del Region Tropical Humeda) University (based in Costa Rica) in cooperation with Noragric (Norway Agricultural Center) have initialed a project on "Sustainability, Education and the Management of Change in the Tropics"

Its overall mission is to analyze the challenges confronting the tropics and examine the abillity of innovative educational models to provide means for sustainable development.

For the time being, it focuses on issues of sustainable agriculture and natural recources development/management in the humid tropics and the role of higher education institutions in these processes and activities.

There had been two seminars organized to discuss the issues and propose strategies and actions. The first one was in 1999 in Salzburg, Austria and the second one in August 2000 in Costa Rica. In between, there has been meeting of the Excutive Committee composed of representatives of the three organizations – Salzburg Seminar, EARTH and Noragric and Two Regional Advisory Teams – one from Africa (headed by the University of Uganda) and one form Asia (with members form Bogor Agricultural University of Indonesia, Asian Institute of Technology and Suranaree University of Technology from Thailand and recently the University of Agriculture and Forestry of the National University of Vietnam, Ho Chi Minh City.

During the recently concluded Executive Committee Meeting in Washington DC (October 2000), it was agreed that the proposed next meeting will be at Suranaree University of Techynology, Nakhon Ratchasima, Thailand sometime in March or April 2001. The definite day will be announced soon. In this connection, a one-day Forum of some representatives of agricultural universities in the region will be organized. Your name has been suggested by the members of the Regional Advisory Team EARTH

City, Vietnam and SEAMEO SEARCA Thus, kindly fill up the attached form and return to the the Center for International Affairs, SUT, Thailand. FAX (66.44.22.41.40) or send by EMAIL: cenintaf@ ccs.sut.ac.th ASAP The final selection will be made by the Executive Committee who will provide partial financial support to selected participants. Interested participants who are not funded may also join their own expense.

The Network is aimed at providing a forum for: (1) Sharing of results/experiences on Developmental Projects and researchers, (2) Discussion on relevant issues on sustainable agriculture in Asia; and facilitating (1) Faculty and Student exchanges between interested colleges and universities of Agriculture (2) Collaboration in producing and sharing of existing teaching - learning materials (3) Networking for other collaborative projects and activities

The subthemes of the discussion would include:

Looking forward to your participation. With best regards.

Yours Sincerely,
