PROF. HA DUYEN TU
Director, International Relations Office
Hanoi University of Technology
Hanoi, Vietnam

Dear Prof. Tu,

Thank you very much for your letter of 24 MAY which I received only yesterday through one of the fellows now with us.

It is really my pleasure working with HUT and your group. The five ladies from your School of Food Technology arrived safely and they were met by one of my staff at the airport. She also briefed them and introduced them to their advisers. I regret that I could not meet them earlier as I was on mission to China when they arrived, but my staff took care of them. They are now adjusting very well and they have started with their work. The only problem sometimes is the English language competency of some of them. Luckily, one of the fellows is an English major and so she could help. However, she could not be with them in their own laboratories.

The seminar on IT has been postponed as VNU could not find the necessary counterpart funds for the activity. If you have other workshops in mind then perhaps, AUAP can partner with you in organizing it, please let me know.

Thank you very much for your kind invitation to attend the 45th Anniversary of HUT on 12 -14 October. It will indeed my honor and pleasure to do so. I will put it in my calendar. Perhaps, you could also invite our Rector to this event as he has never been to Vietnam.

I will be in Vietnam in August to conduct to workshops on strategic planning, one at Thai Nguyen University for the establishment of their Center for Environmental Management and at Vietnam National University at the School of Educational Management. I hope I can also visit HUT then and meet with you.

With best regards.

Sincerely,
Prof.Dr.Ruben C.Umaly
