Re : Graduate Program and Work Attachment of NUOL Personnel at SUT

attached
I am pleased to inform you that all the six applicants *for graduate students you have sent* whose names ~~shown in the~~ *list below* have been conditionally admitted to attend the Thai graduate program at Suranaree University. All six applicants will be requested to come for an interview at SUT prior to the admission. The information gained will help SUT further arrange their placement and academic programs. Like other applicants, the Laotian applicants will have to be responsible for the cost incurred from traveling to SUT for the interview. As they are under ~~the~~ ADB's support, the cost could be absorbed by ADB.

I also would like to inform you that all the applicants will have to pay the local application fee of 350 Baht when they are at SUT for the interview. Please be informed that the application fee *those* is US \$50 for *application* from outside the country.

framing
As for the work attachment program for the five personnel from NUOL *as well as for* the *they have been assigned to* *comprising* *cost at SUT:* *unit head* tuition fee is US\$ 500/month/person (accommodation and air fare are not included). The accommodation for the university graduate students cost 2,700 Baht/month/student with the maximum of 2 students for one room.

Due to time constraints, I would like to reiterate that the applicants should come for the interview as soon as possible in order to be able to enroll in the program either in 3rd trimester beginning next January. *Please inform us of their plans ASAP.*

I will appreciate very much your kind cooperation.

Sincerely,

Prof. Dr. Ruben C. Umaly
