**RE: SIU-ACA CONFERENCE**

Dear Ms. Sigrunn,

Firstly, I would like to reiterate my heartfelt appreciation and gratitude for all the assistance and warm hospitality that you have extended to me during my wonderful visit to your beautiful country. I enjoyed the breathtaking scenery, the friendliness of the people, the delicious food and the very fruitful as well as stimulating conference. Thank you very much for everything and kindly extend my thanks too to Asle. He was really a wonderful guide.

I have been advised by Ms. Ingrid Dryer of ACA that the reimbursement for my air ticket and incidental expenses during the travel will be taken care of by your office. I am therefore enclosing the ticket stubs and the other incidental expenses. If some of them cannot be reimbursed because of absence of receipts, it will not be too serious. I tried to keep the receipts, but at present I cannot seem to locate some of them. I also included a side trip to Brussels from Oslo instead of going straight to Frankfurt for my connecting flight to Bangkok to be able to visit ACA and discuss further possible collaboration. I could have flown from Copenhagen to Bangkok but I took a Copenhagen Frankfurt via Brussels. If the organization deems it necessary then you can deduct from the total cost of 55,130 Baht (1 US\$ = 44.60 Baht or 45 Baht) the sum of 12,180 Baht which is the equivalent cost of Copenhagen-Frankfurt flight. I need to reimburse ASAP to the University the money lent for the travel.

For reimbursement kindly send a money telegraphic transfer to;
