MICHAEL CLAUDON

Dear Michael,

This is to acknowledge receipt of your emails. I am sorry you had some difficulties with your first attempts. It happens to us every now and then.

Yes, I am pleased to be able to discuss with you possibilities of cooperation. Our University does not offer MBA, but we get requests from Vietnam and China and some other countries for us to help them offer an international MBA or to deliver some short-term modular courses in various topics related to MBA. We try to collaborate with some universities from Australia and Europe, but we have no linkage yet with USA. Thus, I am interested in exploring possible linkage with your school. Thanks to the introduction from Meg, I am now in contact with you. I would appreciate receiving your brochure, I will study it and see where it fits in relation to the demands for linkages from the members of the Association of Universities of Asia and the Pacific (AUAP) of which I am the Secretary General.

Once again, thanks for your kind interest and I look forward to possible collaborations.

With best regards.

Sincerely,  
Prof.Dr.Ruben C.Umaly  
Director, CIA
