RE: MIDTERM REVIEW-IUP STUDENTS

As the Center for International Affairs is now preparing a quarterly report of SUT-CUTC Institutional Linkage and Technical Cooperation, I, therefore, would like to request a copy of the midterm-review of IUP Students. Please include the following items: midterm grades and qualitative assessment.

Kindly submit to the CIA before December 20.

Your urgent response would be highly appreciated.

(Prof. Dr. Ruben C. Umaly)

Director, Center for International Affairs
