Dear Ajarn Porntip:

First I would like to apologize for not having been good at writing lately. Yes, I would like to be one of the first networking members who respond to your e-mail. I am doing this not only to have a chance for some freebies you brought back from the World Education Market but also to say hello and send some news to all. Welcome back to Bangkok krab Ajarn.

I saw Ajarn Lee Chin Beng of Mission College briefly the other day at a seminar at Dhurakijpundit University (DPU). I wish we had had more time

to talk. I think our members would like to hear more from Ajarn Lee. You always come up with some nice things to read. I have to admit that I miss hearing from other frequent writers as well.

For those looking for a job or career change, there is an immediate job opening in the DPU international relations office. This is a secretary position which requires a bachelor's degree, English language proficiency, computer literacy, and human relations skills. Some experience in the areas of international cooperation is a plus. You may respond to this e-mail or call 954-7300 ext 278 for further information.

That is all for this time. I hope you stay fine and look forward to hearing more news from everyone.

Best wishes,

Ajarn Tatree

RE: MOU WITH SUT

Dear Dr. Villareal,

I am enclosing the draft MOU for your comments. This has been approved by the University Senate. If this is agreeable, then we can make a formal version of it for preference of Dr. Wichit your signature on 30 June. Kindly inform me of the preferred time and on 30 June as well as the hotel venue so that I could inform Dr. Wichit early enough. He has a very busy schedule most of the time and so it is important to have an early reserved appointment.

Once again, thank you very much for your kind attention and consideration. I am looking forward to closer cooperation between our two institutions.

With best regards.

Sincerely,

Prof. Dr. Ruben C. Umaly
Director, CIA
