Subject: The International Seminar - Workshop on " Integrated Water Resources Management and Wastewater Treatment Technologies "

Thank you for your brosure and participation form as final call for participation for International Seminar Workshop on " Integrated Water Resources Management and Wastewater Treatment Technologies " that I was received on June 26, 1996. But, I am very sorry in this case. Because, I didn't have any sponsor until now and maybe I couldn't participate in this seminar.

Thank your for your attention

Yours sincerely,

ZAIRION
