Dear Dr. Sadlak,

Thank you very much for your letter of 6 June together with the Seminar Report which arrived only yesterday. Yes, I also still remember well our meeting in Austria. Our University has taken part in the Ranking System in Asia. However, in the coming issue of Asia Week, they have decided to group universities by certain categories as it is not easy to rank them all together as one system..

I am enclosing the name of the person responsible for that series:

MR. CESAR BACANI
ASIA WEEK LTD
34/F CITICORP CENTRE
18 WHITEFIELD ROAD
CAUSEWAY BAY, HONG KONG

EMAIL: Cesar_Bacani@asiaweek.com
FAX: 852 25710916

Perhaps, you could contact him and inquire directly about the criteria they use in the ranking. I was told the next issue of the ASIA WEEK will contain the ranking of Technical Universities.

With best regards.

Sincerely,
Prof.Dr.Ruben C.UMalý
Director, CIA

Dear Dr. Umaly,

It is quite a while since we met in Salzburg but I still keep a fine memory of our conversations. As you recall I had mentioned, among other things, that UNESCO-CEPES has a project called “Indicators for Monitoring Higher Education in the Twenty-first Century”.

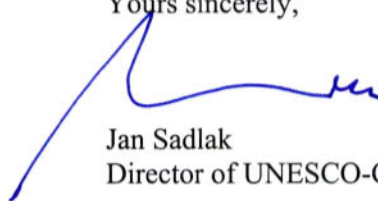

Subject to available extra-budgetary funds, we intend to organize, in close collaboration with a selected number of research centers, international organizations and relevant journals a meeting on *Institutional Level Statistical Indicators for Tertiary Education* (the focus of this meeting would be a comparative analysis and evaluation of the methodologies used in the construction of “league tables” and “ranking lists”). The meeting is planned for fall 2001 and to be held at the UNESCO-CEPES, Bucharest, Romania.

I am writing to you with regard the preparatory work we are doing for this meeting. In this regard I reiterate my kind request to send us any relevant publications concerning “ranking tables” which is done in Asia region. If I am not mistaken one of the journals which is publishing such tables is called “Asian Week”.

I also take this opportunity to send you some materials about UNESCO-CEPES and for additional information I would like to invite you to visit our Homepage: <http://www.cepes.ro>.

Looking forward to our co-operation.

Yours sincerely,

Jan Sadlak
