Topic - Visit to Thailand

Dear Ruben

I have to make a visit to SE Asia in April in connection with a publication that I am preparing on IDP's 30 years in International Education and Development. It may be that Peter Burgess from the IDP Office in Bangkok has been in touch with you because I would like to interview you during my stay in Thailand on the topic of your impressions of IDP's contribution to developing countries in SE Asia - as seen through your eyes, of course. I and am due to spend a few days in Bangkok, arriving there on Friday April 16th and departing, probably, on the afternoon of Tuesday April 20th. As usual, I hope to stay at the Montien Hotel, near Patpong.

Irrespective of our 'official' meeting to talk about IDP, I would be delighted [assuming that you will in Bangkok during that period] if we could meet and have a meal together. Needless to say, I would also very much like to see Bong during my visit.

Hope to see you in Bangkok.

Ann joins me in sending you our warm regards.

As ever
