Dear Prof. Umaly,

How are you doing? I am at the U of Alberta, Canada  
right now.

Dr. Didier Montet from CIRAD/ENSIA, Montpellier has  
contacted me about holding a dairy workshop at SUT. I  
understand that this is part of the first year of the  
French-Thailand Academic Collaboration Program.  
Dr. Montet also informs that M. Megard from French  
Embassy could provide funding for the trip of Asian

delegates(from outside Thailand) to attend the workshop. However, he needs help to pay, air tickets and per dieum, for the trip of 4 French professors. Is this possible to arrrage through the French-Thailand Program. Please let me know the progress of this program so that we can go ahead with the planning of the workshop.

I hope that you are doing well.

Best regards,  
Suwayd

Dear Dr. Suwayd,

Your message to Peter has been passed on to me. We received the notification of the approval of the Joint program between INP Toulouse and SUT and PSU by Dr. Jacques Moreau the coordinator from INP. I have forwarded the paper to Dr. Kanok for his information and action as there was another memo from MUA regarding the actions to be taken specially the question of budget. As to the details of the activity like the holding of the dairy workshop, I am still not aware of this. I will be meeting with Dr. Moreau in Bangkok on the 28th of this month. I however think he will not have the time to go to SUT and meet Dr. Kanok. I will let you know of the results of the meeting. In the meantime, please let us know more about the plan for the Dairy Workshop.

With best regards.

Sincerely,  
Prof.Dr.Ruben C.Umaly
