Subject: Fund-raising Concert

Dear Dean Borromeo (our friend Maurie)

Greetings! First of all our sincerest thanks to you and to our UP TALENTS for their wonderful performance during the concert organized by the UPAAT, Bangkok, in partnership with Chulalongkorn University. As I write this short message, Ramon and Agut are still flying towards Manila. I am sure that when they report to you about their experiences here, they will inform you that their performance was really great. Now we are getting requests, especially to have a repeat performance from your talented colleagues at the UP Conservatory of Music. With your support, I am sure this would be possible.

The presence of the Philippine Ambassador to Thailand, the UP President, and the UP VP for Administration during the Concert added color to the activity. It showed the strong support we are receiving from you all.

Jindra also left for Manila today - I am sure she will see you personally to extend the appreciation of the UPAAT for your support and cooperation, despite the very limited time we gave you in identifying the performers and in arranging for their travel to Bangkok.

Best regards from all of us.

Sincerely yours,

Lucille C. Gregorio

Liason Officer of UPAAT with UP Alumni Association  
 and with UP System Administration

Dear Colleagues,

**Subject : 7<sup>th</sup> Collective Consultation on Higher Education**

The 7<sup>th</sup> Collective Consultation on Higher Education will be held from 27 to 29 November 2000 at UNESCO in Room IV.

Two years after the *World Conference on Higher Education*, it seems timely to take stock of the implementation of the *WCHE Declaration and Framework for Priority Action* and to identify further avenues for NGO support to this activity.

A draft agenda will be sent to you in a few weeks since the Working Group considers that it would be useful to take into account the results of the first meeting of the WCHE International Follow-up Committee (Paris 26-27 June 2000). This will take stock of follow-up strategies at various levels and examine partnerships and resources at national, regional and international levels.

Considering the major NGO presence at the WCHE, your active participation is essential for the success of the 7<sup>th</sup> Collective Consultation.

Yours sincerely,

Komlavi Seddoh  
Director,  
Division of Higher Education

Dear Friends,

That's a good idea. We should request our incumbent vice president to call a meeting. Many good requests of a 'repeat performance' have been coming in. Let's plan on one before Remy's departure.

Dean Borromeo has replied to my short thank you note. Sabi niya, "Basta UP - at basta tayo dito." anytime the UP Conservatory will oblige.

Cheers!

Sincerely,  
Lucille

Dear Friends,

Salamat naman at maganda ang ating unang palabas. Dean Maurie Borromeo of the UP Conservatory of Music, is very pleased with the positive feedback. Sabi niya, anytime daw puede siyang magpadala ng UP talents sa ating affair. Congratulations to all of us.

Ramon and Agut were also very pleased with the arrangements we made for them (lalo it was arranged that they go to the NAIA with President Nemenzo, in the President's car from UP Diliman to the NAIA, and kasama din sila sa PR flight to Bangkok). Nagulat si President na huminto ng kwento si Ramon ng dumating na sa Bangkok. Sabi ko naman, he was just preserving his voice noong gabing (early morning) dumating sila. Sabi ni Ramon, dahil pagod siya, dalawang beses lang siya bumabalik sa buffet breakfast, na kasama sa kanilang package of \$259 each which included return airfare, 4 nights 5 days hotel accomodation with breakfast, meeting and sending off by the travel agent (plus tours and at lunch sa Planet Hollywood - hindi na nagamit dahil si Gina at si Enrique ang naging tourist guides - thanks to you both).

Shall we discuss 'lessons learned' and plan for the next one during our general meeting? The members should also decide what to do with our proceeds. We need to have a consensus on projects we will support. Mr. Vice President, Dr. Noel Mamicpic, please inform us when and where you want to meet with us.

Best wishes to all!

Sincerely,

Lucille Gregorio
