 > In brief, I have been Secretary (i.e. Head of Administration) of the  
 > University of Edinburgh in Scotland for 12 years, previously having  
 > been Secretary and Registrar of the University of St Andrews (also  
 > in Scotland) for 8 years. I am also a member of the Directing  
 > Group of the Institutional Management in Higher Education  
 > programme at OECD. I have conducted training and consultancy  
 > visits overseas over the past two decades for various international  
 > agencies including a substantial World Bank project on the  
 > development of Indonesian university managers in the mid-1980s.  
 >  
 > If wished, I would be prepared to consider attending your Forum for  
 > the purpose of giving the requested paper, but as I shall be retiring  
 > from my post at Edinburgh in April it would be necessary to find a  
 > source of the air fare. I could approach The British Council who  
 > have supported several of my visits in the past, although perhaps  
 > the most effective approach might be from you to one of their  
 > offices in Asia, possibly Jakarta.  
 >  
 > Would it be of any interest to you to pursue this? If so, I can send  
 > you a fuller c.v. and I would also need a more precise statement of  
 > the intended dates of the Seminar, as I will still have some  
 > professional commitments in Europe during May.
