Re : Arrival Date of the Nine Candidates from NUOL

Dear Mr. Sengsomphone VIRAVOUTH,

Please refer to our urgent letter No. MUA 5136/48 dated 28 January, 2000 regarding the arrival date at Suranaree University of Technology of the nine candidates from National University of Laos. I would like to reiterate that the School of English agrees that the NUOL group should arrive SUT on March 1, 2000. However, this could be flexible as the deadline for their arrival specified by the School of English is 5th March or the group will not be able to complete the course before its termination. I will appreciate your confirmation of their arrival date.

Also kindly let us know if they would like to stay in the University dormitory. Our office will make a reservation upon their request.

Thanking you very much for your cooperation and looking forward to your response.

Yours sincerely,

(Assoc. Prof. Songphorn Tajaroensuk)

19. Feb. 2000

Hello Ajarn Khamchan !

Hope everybody is happy back home.

I have two questions to ask:

1. The first request is by Dr. Peerasak from the School of English, who is the coordinator of the Intensive English Course for the 9-10 NUOL personnel who plan to come to SUT.

He asks you to check with the 9-10 candidates whether they have ever studied English from any of the following books, or possess any of these books:

1. "Headway" (Oxford Press)
2. "Interaction I, II" from Mc Graw Hill.

He would like to know the answer on Tuesday, Feb. 22, because he will need to order the books if the Laos group never had these books before.

2. The School of Mathematics understands that the last candidate is applying for the M.Sc. program in mathematics, as this is what his application form to Khon Kaen university shows. Please confirm by Tuesday. (Today is a holiday here.) Also, please have him fill out and send us the SUT graduate application form immediately.

Thank you very much for your quick response.
