Dear Drs. Weerapun and Umaly:

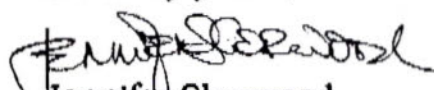

We had not received a reply to the attached fax, and are anxious to know whether it was received.

If an ESL consultant is to travel to Thailand this summer, we would need to know specific dates and broad terms of reference by Friday June 16, 1995, so that travel plans could be made. Please fax as soon as possible with details.

We are also anxious to hear the results of the recruitment for the international engineering program. Are there any confirmed numbers for students entering in September (or earlier for the ESL portion)?

I look forward to hearing from you soon.

Sincerely yours,

Jennifer Sherwood

Dear Dr. Weerapun:

I hope that you have recovered from your flight and have been able to rest since your return to Thailand. We enjoyed your visit very much and hope that you feel that the group benefitted from the time spent at the CUTC institutions.

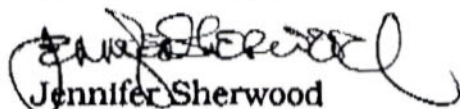

Now that you have returned, I seek your assistance in clearing up some administrative matters related to the financial reconciling.

First, I wonder whether you would collect airline tickets from the ten travellers and mail them to me. CIDA insists that we keep original airline tickets for auditing purposes. Also, I wonder if you could draft a short letter stating that \$1100.40 out of the \$2000.00 (\$200 times 10 travellers) provided for internal travel was expended on tips and unreceiptable internal travel. Dr. Thawatchai provided us with \$899.60 worth of receipts, and this letter signed by you on behalf of all of the travellers will satisfy our Finance Officer.

Marsha has met with Judy Hunter this week regarding her possible ESL Consultancy in July. Judy sent a letter to Kate Owens and Bob Burgess, and is seeking your assistance in ascertaining as soon as possible whether she would be needed in July to support the delivery of the intensive ESL program. Please fax as soon as a decision is made.

Thank you for your assistance in all of these matters.

Yours sincerely,
